- The prompt may be either Opinion or Informative/Explanatory.
- Students will receive a score from 0-10.

FSA WRITING : CONTINUED

Sample Prompt:

The passages are about bottled water. Write an essay in which you give your opinion about which system would be better for your school; selling bottled water or buying a water purification system and why the other idea would not be a good choice for your school. Support your opinion with evidence from the sources.

Manage your time carefully so that you can:

- Read the passages;
- Plan your responses;
- Write your response; and
- Revise and edit your response

FSA MATH

- Administered as a paper-best test
- Two 80-minute sessions over two days
- Provided with a work folder
- 60 – 64 questions
- Reference Sheet

WHAT CAN YOU DO TO HELP YOUR CHILD?

- Encourage independent reading time
- Assist with completion of homework
- Read all types of books and informational text with your child.
- Ask your child questions based on what they are reading to assure that they comprehend. (Ex. books, newspaper articles, manuals, etc.)
- Encourage your child to form and defend an opinion by supporting it with facts, details and reasons from text
- Discuss mathematics ideas with your child have them explain these to you using pictures, graphs, etc.
- Visit the Florida Standards Assessment online portal at:
www.fsassessments.org to become familiar with the new assessments.

DATA CHAT : I-READY

Understanding Key Terms

- **Scale Scores** provide a single, consistent way to measure growth across grade levels and domains. You can use a scale score to compare a student's growth on different administrations of *i-Ready Diagnostic and Instruction*.
- **Placement Levels** are used to guide instruction in the classroom. Placement levels are based on your child's level of performance overall and on each subtest, and they describe the optimum instruction level. The four possible placement levels are:
 - Above Grade Level
 - At Grade Level
 - Approaching Grade Level
 - Needs Improvement

DATA CHAT : I-READY

Understanding Key Terms Continued:

- **Foundational Domains** are not assessed for all grade levels. These subtests are given depending on your child's scores in other domains. "Tested Out" means that your child did not need to take a particular subtest. "Max Score" means that your child took the subtest and achieved a high score.
- For a more detailed description of what is covered on the Diagnostic, visit the FAQs section on www.i-ready.com/FamilyCenter.
