

## 2022 - 2023 Supply List \* Kindergarten DHH – Laura Chinloy

### Materials for School:

- Bookbag (no wheels)
- 2 bottles of glue & 5 glue sticks
- 2 reams of paper
- 1 containers of surface cleaner (for example: Lysol or Clorox Wipes)
- 1 bottle of hand soap
- 1 box of band-aids
- 1 box tissues
- Complete set of clothes in bag labeled with child's name
- 2 **plastic** blue folders & 2 **plastic** red folders
- 1 pencil box with 24 pencils
- 1 set of dry erase markers & a dry erase eraser
- 4 –packs of 24 crayons
- 1 pack of baby wipes

### Materials they will begin to use at home and then bring to school:

4 **primary** composition books – with a blank space on top of the page & lines on the bottom for writing

### Materials to Use at Home:

Parents, I am a strong believer in children practicing skills using materials other than pencil and paper, there will be plenty of time for that in the future. The following is a list of materials that we use in school on a very regular basis, these materials make learning fun and engaging, it would be wonderful if your child could have access to these material at home as well. They are not required but I highly recommend them.

- A container of play dough
- A bottle of shaving cream
- A set of dice
- Magnetic letters (1 set uppercase & 2 sets of lowercase)
- 1 packs of index cards
- Construction paper
- A pair of scissors
- A pack of markers
- A box of 24 crayons
- A small dry erase board
- A set of dry erase markers
- A set of moveable counters (this can be small blocks, coins, cereal)
